Hobby Glad Gardens, Monroe, Michigan.

NOTICE

Due to world conditions and us located in a defense area it has been hard to produce a crop this past season. Therefore we do not have the amounts of some varieties to offer and can only offer all stocks subject to prior sale.

With labor doubtful for the rush season we will have to fill your orders as we can get to them, so first come first served, but will try and see that you get your bulbs by planting time. Order early please and help us. Thanks!

All varieties marked with * are not listed in last catalogue so no full descriptions are made this year. Consult any listing of the newer Glads and am sure you will find descriptions of same.

TERMS

Consult 1942 catalogue. Terms and conditions same as in catalogue. If you do not have one of our 1942 catalogues or have mislaid yours, drop us a card and we will send you another one as long as they last.
